CUSTOM STRAPS

Killer Guitar Straps & our parent company Strapworks make almost any strap you can imagine. From rigging straps to tie-downs; belts to suspenders; even leashes & collars for your fan's/customers' pets. Our talents and your imagination can make a magical team. Call or e-mail to get started on your next idea. We look forward to saying "We're with the band!" * Although we endeavor to not change pricing in any calendar year, we reserve the right to change prices at any time without notice. Possession of this price list does not confer rights to purchase. You must be a registered dealer (which is an easy process for any legitimate retail or e-tail music merchant). Call or e-mail today to get registered in just a few short minutes.
